

## **Guidelines for the Sale of Items from The Personal Collection of LTC (Ret.) Thomas M. Johnson**

1. Items from Tom's personal collection will be made available at his pace as he is able to facilitate each sale. This means some weeks there may be no release. Other weeks there may be two or three pieces released. Please check the JRB&M website regularly for updates.
2. On the Fridays when Tom's items will be listed, they will list separately from our traditional Friday Update and promptly at 12:00pm EST. We recommend a phone call as the fastest mode of placing your order. Our phone number for placing orders is 1-800-851-2665.
3. No holds can be placed on these items without guaranteed prompt payment. Holds for check payments will only be accepted from longstanding, well-known customers.
4. We will not accept payment plans on these items. Invoices must be paid in full at the time of purchase.
5. Returns will be accepted only with notice given within three days of delivery. Please call 540-373-9150 or email [ww2daggers@aol.com](mailto:ww2daggers@aol.com) to initiate a return. As Tom's personal collection only consists of mint and near mint condition German edged weapons as well as extremely rare edged weapons that are simply unavailable in mint or near mint condition, we do not anticipate any returns.
6. We will keep a short waiting list of interested buyers should a transaction fall through or if a return is made. If your requested item has sold, please indicate whether you would like to be added to this waiting list.
